## **1. Introduction**

The 2022 Municipal and School Board Election will be held on **Monday, October 24, 2022** for the following offices in the Township of Georgian Bluffs and School Boards, unless otherwise acclaimed:

- Mayor
- Deputy Mayor
- Councillor (Five)
- Trustee, English Language Public School Board
- Trustee, English Language Separate School Board
- Trustee, French Language Public School Board
- Trustee, French Language Separate School Board

Georgian Bluffs elects its officials using an “at-large” system with electors voting for candidates representing the entire municipality, not a specific ward.

The Mayor and Deputy Mayor not only represent the electorate of the Township of Georgian Bluffs, but also sit on the council of the upper tier municipality, being the County of Grey. An Alternate Member By-law for representation on the Council of the County of Grey has been implemented by the Township. If the Mayor or Deputy Mayor is absent, the Alternate Member may attend in their absence.

The Township’s objective for the Municipal Election is to conduct an election process with the utmost integrity that is fair, accessible and accountable, following the principles of the Municipal Elections Act (provided below). To provide a convenient and accessible voting method for all eligible voters, the Township of Georgian Bluffs has chosen to use an alternative voting method<sup>1</sup> in accordance with the Municipal Elections Act, 1996, as amended. In this election the Township of Georgian Bluffs will be offering a digital ballot submitted electronically over the internet or telephone, with an option of a paper ballot.

**Paper Ballot Voting**

The use of traditional ballots at Advanced Voting Locations and on Voting Day will allow electors to cast their ballot in-person, at an accessible location. An Electronic Ballot Marking Device will also be available at the designated Advanced Voting Locations to provide additional voting opportunities for eligible voters with varying abilities.

For the voting method using traditional ballots, the Township will use a composite ballot. By attending a voting location on an Advanced Voting Day or on Voting Day, and following confirmation of identity and verification of the eligible electors' name being on the voters list, the elector will receive one ballot that contains every office for which they are entitled to vote. There are different ballots depending upon the school support of the elector.

The Voter will be provided the correct ballot by an Election Official, and they will be struck off the Voters' List and identified as having participated in the election process.

The Voter will be advised to go behind a privacy screen to mark their ballot using the marking device provided by an Election Official. Once marked, the voter will put their ballot into the secured ballot box.

Voters may undervote or submit a blank ballot should that be the intent of the voter. If a voter selects too many candidates for a race (i.e. they are to select 7 and they have marked 8 selections), the votes for that specific race would be rejected and not counted.

The secrecy of how a voter casts their ballot shall be maintained at all times.

Ballots shall be stored in the secured ballot box at all times. At the close of each advanced and voting day poll, the Election Official shall seal the opening of the box and sign and date the closure. The seal shall not be broken until the close of voting on Voting Day to facilitate counting. All secured ballot boxes will be stored in a secured vault at the Township Office until the commencement of counting on Voting Day.
