If you wish to be notified of the decision of the Township Council in respect of the proposed zoning by-law amendment, you must make a written request to the Clerk's Department at 177964 Grey Road 18, Owen Sound, ON, N4K 5N5.

What is proposed?

The purpose of Application Z02-26 is to rezone the subject lands from the Open Space (OS1) zone to the Rural (RU), to facilitate the creation of four new residential lots and to retain the existing parcel. Additionally, the proposed four (4) residential lots require a site-specific provision to permit a reduction in minimum frontage to 52 metres, instead of the required 100 metres in the RU zone. Additionally, a holding (h) provision will apply to approximately half of the retained parcel to ensure an Archaeological Assessment is completed to the satisfaction of the Saugeen Ojibway Nation (SON) prior to any future development. No changes are proposed to the Environmental Protection (EP) Zone. No other relief to the By-law has been requested.
