If you wish to be notified of the decision of Council in respect to the proposed Zoning By-law Amendment, you must make a written request to the Committee of Adjustment at 177964 Grey Road 18, Owen Sound, ON, N4K 5N5.

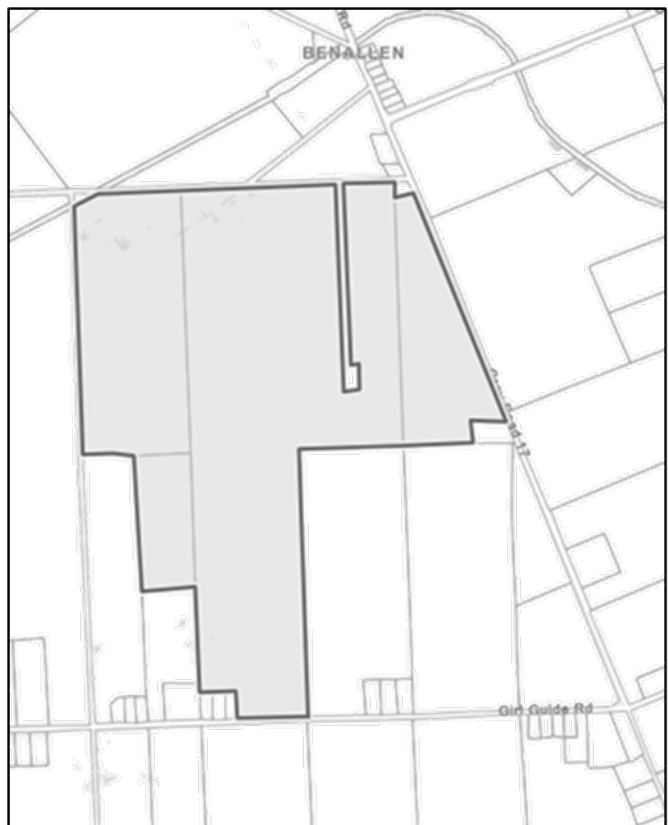

## What is proposed?

To add a holding (h) symbol to the zoning of the subject lands to ensure that an Archaeological Assessment is conducted prior to development or site alteration occurring on the property, as requested by Saugeen Ojibway Nation. This holding symbol would only apply to the portion of the property that falls within the jurisdiction of the Township Zoning Bylaw and would not apply to the lands located with the Niagara Escarpment Commission Development Control Area.

Approval of the requested By-law will fulfill a condition of a severance. No development or site alteration is proposed on these lands as this lot is being created for conservation purposes.
