If you wish to be notified of the decision of the Committee of Adjustment in respect of the proposed consent or the decision of Council in respect to the proposed Zoning By-law Amendment, you must make a written request to the Committee of Adjustment at 177964 Grey Road 18, Owen Sound, ON, N4K 5N5.

### What is proposed?

The purpose of Application A06/25 is to seek relief from the side yard setback requirements of Section 8, Agricultural Provisions of the Zoning By-law 202-020. Section 8 requires a side yard setback of 10 metres whereas a side yard setback of 3.65 metres is requested. The reduced setback is necessary as the existing single family dwelling is already encroaching into the allowed side yard setback and the proposed porch increases that encroachment.
