

Notice of Construction

Kemble Culvert Replacement And Intersection Improvements

Dear Property Owner/Resident,

The Township of Georgian Bluffs is undertaking a construction project in your area. This letter is to disclose the scope of the construction works and the potential impacts you may experience.

THE PROJECT

Location: The proposed construction works are to take place at the intersection of Kemble Rock Road and Concession Road 20.

Schedule: Anticipated Start: July 6, 2026
Proposed Completion Date: September 4, 2026

Scope of Work

- Removal and replacement of main roadway culvert with new precast concrete box culvert.
- Removal of vegetation within municipal ditches to improve hydraulic capacity.
- Re-grading and re-shaping of municipal ditches to improve drainage conditions.
- Installation of rock protection on ditch embankments to limit erosion issues.
- Removal and replacement of existing curbs, gutters, catch basins and underground stormwater pipes at intersection.
- Removal and replacement of new asphalt on roadway at intersection.
- Minor grading and drainage improvements adjacent to intersection.

Contractor: R.F. King Holdings

HOW WILL THE PROJECT IMPACT YOU

A temporary intersection closure will be established on site to facilitate the replacement of the roadway culvert and the improvements to the intersection. During the roadway closures, access will be maintained to all private properties located within the construction limits at the site. A detour route will be provided during construction for all traffic requiring access to the opposite side of the intersection.

The Contractor will be permitted to work on site between the hours of 7:00am to 7:00pm local time Monday to Friday each week. No work will be completed on site during weekends or on stat holidays.
