### What is proposed?

Application B-10-26 proposes the severance of an approximately 4,209 m<sup>2</sup> parcel with 22.69 m of frontage along Drive-In Crescent and Highway 6 for the future construction of a single detached dwelling. The retained parcel would have an area of approximately 4,341 m<sup>2</sup> with 21.8 m of frontage along Highway 6. An access easement is also proposed to serve the retained parcel. Through discussions with the Ministry of Transportation (MTO), staff understand that the MTO would not support an additional access onto Highway 6 due to its proximity to the intersection of Highway 6 and Drive-In Crescent. However, the MTO has indicated no concerns should the applicant utilize the existing access from Drive-In Crescent.
