What is proposed?

Application B-08-26 proposes the severance of a 2,171-square-metre parcel of land from the subject property to facilitate the development of a new single-family detached residential dwelling. Staff note that the applicant intends to retain a 1,395-square-metre parcel of land containing the existing residential dwelling, which will continue to be used for residential purposes.

In support of the proposed severance, the applicant has also submitted a related Zoning By-law Amendment application (Z05-26). This amendment seeks relief from certain provisions outlined in Section 9 – Residential Zones – of the Township of Georgian Bluffs Zoning By-law 2020-020. The purpose of the amendment is to permit a reduced minimum lot area and reduced lot frontage for the retained parcel within the R1c Residential Zone.

No additional amendments or relief from the Zoning By-law have been requested at this time.
